

Sunday Morning

Dear Mom and Pop:-

I just got back from mass. You know that singer they used to have on the Ave Maria hour. Well, he's here at Bainbridge. He sang "Ave Maria" and "O Lord I am not worthy" this morning. The priest, Father Finnegan, announced he was going to sing before mass.

Yesterday we ran over the obstacle course, I'm worn out now. This afternoon I'm going over and see Cagle, Frank and Russel.

Tomorrow I get my Dress blue jumper, and dress shoes. I don't need a ration card either. Tonight I'm going to the movies to see "Power's Girl" with Benny Goodman + his orchestra.

I got the Beverly Banner yesterday. I sure was glad to get it. I also got Donald's letter.

I can't think of much to write. The same thing happens every day. It's not very good

dry today. We have had clear weather for two days.

I think I've forgotten how to walk on concrete. I haven't seen any since I came here. I guess I'll write some more tonight. I'm out of ideas.

Well, it is now Monday morning. We have the barracks cleaned and are waiting to go to chow.

Yesterday afternoon I saw Eagle, Russell, Grant, George Simpson, Bill Burr and three other fellows from Burlington. They're all in the same barracks. We had a lot of fun (Grant and I) kidding them about the needles, the U. P. and all that. We really got them worried.

Last night I went to the movies. We saw "Power's Girls" with George Murphy & Carole Landis. It is really a good picture. If it comes to Beverly see it.

Well, I guess I'll close now 'tis' about time to eat, I hope you're all well.  
P.S. (Send 2 bucks)  
Love Rich

(It moved last night)
