

Tuesday Night

U. S NAVY

Dear Mom + Pop : -

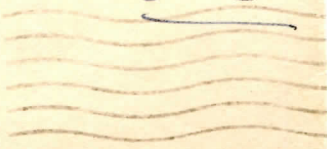

Well, I'm no longer on
K. P. I'm in quarantine.
It never rains it pours. Scar-
let fever broke out in our barracks.
Just mild cases though and they
have it under control. I'm O.K.
We won't be allowed to have any
visitors this Sunday but we prob-
ably will after that.

I won't get a chance to see
Hank now. We are confined to
our barracks except for chow. I
was just beginning to like it
up 6' 8" too. De Sise and I found
out how to duck our detail and

We mustered in. After we dished the
stuff out we knocked off and played
pool over the canteen. They have
hostesses over ship's company canteen.
We were just getting to know them, too.

You can get sodas, sundaes at the
fountain there. Reminded me of my
days at Docs. Glad I'm in the navy
& not working there.

The cooks up there are nice
guys too. We had a lot of fun with
them this afternoon. We played
knock rummy and listened to some
jive on their radio. I wouldn't
mind being up there the rest of the
time I'm in boot camp. It's a
pleasure to work up there.

Right now I'm lying in my bunk.
We just got some new records, the

boys are playing them now.

I really miss Hank. It don't
seem the same without him around.
Well & hope the tribe is all O.K. Say
Hello to the Maloy folks.

Love,

Rich
