

Dear Mom, Pop, + Brats.

I got your letter today + the bulletin where it has a list of graduates but I didn't see no picture or program.

What did you think of Mrs. Swad, Mom? I guess you thought she was tacky huh, that's what I thought when I first met her but she was the best teacher I ever had. She can talk 'til she's blue in the face.

I got Duke's letter yesterday. I had liberty last night + went to my stamping grounds, Fall River. The towns up this way are all O. K. except Newport which is a first class clip joint. Wait until you come up in July + see the scenery + towns in these New England states. You won't want to leave, no kidding. The only good part about Newport is the cliff walk along the ocean. It's really pretty along there at night.

Tell Reefe its O. K. to give my address to the girls if they pass inspection but otherwise tell them you don't remember it. One good thing about Fall River there are some classy skirts there,

I have another test coming up tomorrow I wish I knew what is going to be on it.

I met Dil Kletle's boyfriend. He not only is in the same school I am he is in the same barracks. Small world, huh? He is a good 1 to her. Poppa + Momina Kletle gave their consent. I guess Poppa figures on that \$10,000 insurance + monthly allotment, huh.

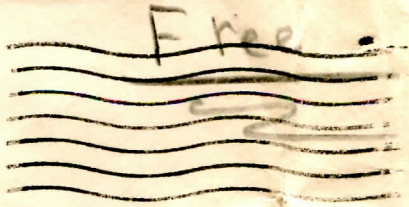

Well I guess I'll quit now. These A's are getting lousy but the are coming on.

So to Jeff Louay Hesser
Rich

P.S. Say hello to the maloy

P.S. I got a letter from De fire today. He tells me he is in love with the most beautiful girl in the world + if he was older he'd marry her. Every month he is in love with a different one + all of them are the most beautiful girl in the world - some guys huh
